Myself and retired Principal Mr.Dhasaratharama Reddy met you on 24.05.2010 at your house. We are really happy to note that the amount of interest you have taken by picking up mentally retarded people in the city and keeping them in Thandiarpet and also mental hospital, Kilpauk. So far no mayor or any person have taken such interest for those unprivileged people. It is on this context I request you to visit our "Anbaham" situated at Thirunilai Village, Vichur Post, near Avadi. We want to take you at any day convenient to you to visit the home maintained by us.
